Welcome to Adobe Captivate

June 8, 2012
7:30am – 10:00am

Objectives

- Introduce Adobe Captivate
  - 3 types
  - Examples
- Create a sample project
  - Show basic features
  - Add audio / video
  - LMS
  - Publishing options
    - Sharing options

Housekeeping

- HA credits – will be emailed
- CPDUs
  - Sign in and fill out eval
- Informative presentation
  - With HA lab time to follow
  - Work with DC for license requirements

What is Adobe Captivate?

- Electronic learning tool
  – Demonstration modules
  – Interactive training modules
  – Assessment modules

- Captivate vs. Camtasia/Jing

Types of Modules

- Demonstration – shows or illustrates a concept
- Training – learner has the opportunity to try the concept
- Assessment – assesses the learner

Time Considerations

Project Size	Development Hours
Small Projects (1-25 slides)	1-4 hours of production
Medium Projects (26-75 slides)	4-7 hours of production
Large Projects (80-150 slides)	8-10 hours of production
Bloated Projects (more 150 slides)	Consider splitting projects this large into smaller projects.

Thank you for coming!

- Remember to work with your DC on licensing
- Fill out the evaluation for CPDUs
  - Indicate if you would like more training

- Have a great summer!
