

*"Nobody cares  
how much you  
know, until they  
know how  
much you  
care."*

**THEODORE ROOSEVELT**

## **SAFE, RESPECTFUL, SUPPORTIVE, AND CHALLENGING LEARNING ENVIRONMENT**

*This session is based on the Danielson Framework cluster #2.* Participants will learn techniques and develop customized tools to build relationships with students and among students. They will explore the principles of Growth Mindset as an avenue for communicating high expectations, the value of perseverance, and a safe environment for risk taking and mistake making.

### **New Educator Support Series**
